The Laboratory For Child Development is located on the Homewood Campus of the Johns Hopkins University. The campus is just west of Charles Street, between 29th Street and University Parkway. Our parking spaces are located in the **back left corner of Parking Level 1 in the South Garage** just off of Wyman Park Drive.

There will be a member of our lab waiting for you at the parking places beginning 5 minutes prior to your appointment time. If you arrive and there is no one there, call our lab from a cell phone (410-516-6068) and someone will come meet you immediately. You will take a ticket when you enter the parking garage and we will provide you with a ticket to exit the parking garage at the end of your appointment to allow you to park in the spaces for free during your visit to our lab.
